letter no. 2892 of 13-1-93

1 Copy of a statement

SIR,

I have the honor to bring to your notice that the Executive Engineer Ganjam Division surrenders a sum of Rs. 10,000 under 'Provincial' Communications' 'Major' out of the grant of Rs. 14,214 for the current year for Iron Bridge at Mahasinghi consequent on the stoppage of work on it as per orders contained in your Telegram dated 6 October 1892, and to recommend that it may be accepted and credited to the Provincial reserve with Government.

2. The Executive Engineer has applied to me for the following appropriations under the same head for the current year.

2794 Waj 6-10-92

a. Constructing Berhampore } Rs
 Govindapur road } 266
 b. Metalling Road from } 600
 Eldayagiri to Kalingia }
 Existing grant 2002 866

With regard to a. I beg to state
 that the current year's entire grant
 of Rs. 30,000 was transferred to the
 Civil Deptt. in P. M. G. No. 77, W
 dated 9th March 1892 and that the
 amount now applied for is required
 to meet the expenditure incurred by
 this Department in April 1892.

As regards b. the Executive Engg
 explains that the increased allot-
 ment of Rs. 600 is necessary as the
 current year's existing grant of Rs.
 2002 has already been exceeded
 by the Sub. Divisional officer. I
 have never called upon the Executive
 Engineer to obtain and send to me
 the Sub. Divisional officer's explanation
 as having exceeded the grant.

Under these circumstances, I
 request that the above demands
 may be complied with.

In their orders No. 3277 W. 3530 W.
 30-11-92 20-12-92
 they have promised to provide a
 sum of Rs. 700, to meet the balance
 of the demand under Imperial

Imperial money
 is shown.

Postal Repairs for the Ganjam D.
 should funds become available
 later in the year. The Ex. Engg. informs
 me that the promised grant can
 only be fully expended if granted
 at once. I therefore solicit your early
 disposal if possible.

5. The Executive Engineer also
 applies for an increase of Rs. 800, to
 supplement his grant of Rs. 1000
 under 'Imperial' 'Military' Repairs,
 the same being reported to be required
 to complete works already sanctioned,
 as per requisitions of the Military
 Deptt. I would recommend com-
 pliance with the demand.

6. Finally, I beg to enclose copy
 of a letter No. 2892
 13-1-93 + statement received
 from the Ex. Engineer Ganjam D. with
 reference to the further explanation
 for the demand of Rs. 4000 for
 'Provincial' 'Minor works' called
 for in para 6 of G. O. No. 3277 W. dated 30th
 November 1892. From the statement, it
 will be seen that there are sufficient
 sanctioned estimates to work out the addi-
 tional grant of Rs. 4000, applied for by him.
 Compliance with the demand is therefore suggested
 if convenient.

I have the honor to be
 Sir
 your most obedient servant
