Report No. 303 of 93
T. P.

Encls. 2

Madras Dy. Collector's Office

7 August 1893.

2165

From B. H. Chester Esq.,
Deputy Collector
of Madras.

To
The Collector of
Madras.
Sir,

With reference to G. O. No 1698 W, Public
Works, dated 28 June 1893, which authorized
the acquisition under Act X of 1870 of
certain land in the bed of the Spas Tank,
the ownership of which was said to be doubtful,
and in accordance with the notification
on Page 767 of the Fort Saint George Gazette
Part I of 4 July 1893, I have the honor
to state that I am ^{now} taking measures to
acquire the land described in the said
notification.

2. This land is marked B on the accompanying plan. I found, however, that the Consulting Architect also requires the portion marked C. The ownership of C is not doubtful and the owners of it have represented to me that the acquisition of B would cut off all means of access to C.

3. I therefore now submit a further draft notification for the portion C and request that sanction may be obtained for its acquisition under Act X of 1840.

4. I ought to state that the Revenue Department handed over A and B to the Consulting Architect for use in connection with the Brickfield under the impression that the land was Government property. Subsequent legal

legal proceedings in the Egmore Magistrate's Court led to Government passing an order to acquire the land, B the ownership of which was doubtful. The draft notification dealt only with the land in dispute. Thus C (which was never given over to the Government Brickfield) was omitted from the notification.

I have the honor to be
Sir,
Your most obedient servant
Sd/ B. H. Becker
Deputy Collector
