Trichinopoly, 12 August 1893.

From Major W. L. C. Baddeley R.E.,
The Superintending Engineer,

6th CIRCLE.

To

The Chief Engineer,

PUBLIC WORKS DEPARTMENT.

SIR,

ENCLOSURES.

With reference to your No. 2682. C. of the 21st July /93 regarding the sorting of old records in the Tinnevely Division office, I have the honor to state that it is not possible to have the work done by the permanent establishment of the division.

2. The work in the Division office is heavy, and none of the members of the establishment can be spared for the above work without much inconvenience and without allowing current work to fall into arrears. The temporary clerk applied for is absolutely necessary for the extra work. The old records

records are in a most confused state,
and there must be a large number
which are not worth keeping, for
an entire room is filled with racks
containing old papers dating
back in some cases for 30 years.

I have the honor to be
Sir,
Your most obedient servant
Wm Baddley
