OFFICE NOTE No. 515 C

To W.

In referring the marginally noted letters (to be returned) from the General Superintendent P.W. Workshop for the orders of Government, I would bring to notice that the rules of the P.W.D. do not require the submission of bills in duplicate when payment in cash is required by the Department and if the Commissariat Department require a copy as an office record, the work of preparing that copy should not in my opinion be thrown on the officers of this Department. The rules quoted by the Commissariat Storekeeper General appear to apply to private suppliers, with whom the case is different, as a private supplier for obvious reasons would prepare any number of copies of bills that may be required.

Letter No. 37/E.A. of 27th. July 1893

Letter, No. 40/E.A. dated 1st. August
1893 with 2 enclosures.

*The rule refers to all
bills presented to the
Commissariat officer for payment.
The next rule says that
in Bombay, all bills are
made prepared in triplicate.*
