Read—the following paper:—

From Major-General E. H. H. COLLEN, C.I.E., Secretary to the Government of India, Military Department, to the Secretary to the Government of Bombay, Public Works Department, dated Simla, the 19th July 1893, No. 2281 M.W.

I am directed to acknowledge the receipt of your letter No. 497, dated the 8th March 1893, to the address of the Government of India in the Public Works Department asking, with reference to this department amended Resolution No. 2407 M.W., dated the 22nd August 1892, whether land within cantonment limits in the possession of a railway administration can, without the sanction of the Government of India in the Military Department, be put to any use by the railway, such as the construction of new staff quarters upon it, provided that there is no fort in its neighbourhood.

2. In reply, I am to state, for the information of His Excellency the Governor in Council, that the Government of India consider that their sanction in the case under reference is not necessary.

3. I am, however, to remark that should such land fall within the radius of 500 yards, prescribed in the Public Works Department Circular No. XXVII, dated the 20th December 1881, from the site of any fort, &c., which exists, or the construction of which has been approved, the sanction of the Government of India in the Military Department would be required prior to its being built upon, and I am to add that in any doubtful case a reference to this department should be made.

The Circular in question was received in January 1882 and the Current number 79 was given to it. The index to the receipt register, supply, shews that this number was "recorded in C's Office", but gives neither the date of disposal nor the number thereof. The accompanying slip, however, has been found in the bundle of office-notes of the day. But the Circular itself is not stitched therewith & is not forthcoming here. It is understood that the spare copies of India Circulars of 1882 & the subsequent years are still at Chepauk; the Circular in question may probably be available there.
