Amount of estimate Rs 1820

This estimate has been framed
with reference to C.O. No. 366 W

isting accommodation for records
being found insufficient.

The estimate provides for re-
moving the present front veran-
dah and adding a room 24' x 18'
interior dimensions & reconsti-
tuting the tiled verandah in front
of this new room. Provision has
also been made in the estimate
for constructing a tiled shed for
sheltering parties attending
the office, for erecting a mason
compound wall to the north & east
of the office & for repairing & im-
proving the existing wall.

The amount of the estimate
is made up as follows:-
Extension of building — Rs 1310
Tiled shed — 230

Compound wall ————— Rs 265
 Repairing & improving wall — 15
Total estimate Rs 1820

The scantlings of roof timbers are correct, no provision has been made for wall plates under joists.

The estimate is in order & the rates are fair.
