GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General
Establishment.

READ—the following paper :—

Office-note from the Examiner of Public Works Accounts, dated Madras, 19th August 1893, No. 644 A.

[Incidence of fines inflicted on members of establishment.]

With reference to the footnote at page 2 of Government of India Code, volume I, I would request orders of Government as to incidence of fines inflicted on members of establishment.

2. Under Madras Public Works Code, paragraph 469, the practice in this Presidency has been to deduct such fines in the salary bill so that the net amount only would be passed to debit of "Establishment." The ruling on which the Madras procedure is based is not traceable; but under Government of India Code, volume II, appendix III, item 11, which also applies to appendix II, item 16, it would appear that fines should be credited to "Revenue."

3. I would suggest the adoption of Government of India procedure, and, if this is approved, that orders may be communicated to the department for guidance.

ORDER—dated 30th August 1893, No. 2221 W., Public Works.

The adoption of the procedure prescribed in the Government of India Code is sanctioned.
