Letter No. 563 S.E. of 24<sup>th</sup> December/92  
from the Ence, line Engineer, Trichinopoly  
Division, to the Supg. Engineer, 6<sup>th</sup> Circle

I have the honor to bring to your notice that with reference to the Board's Proceedings No. 62 of 10<sup>th</sup> February/92 the Collector of Trichinopoly in his letter No.  $\frac{36}{12}$  of 2<sup>nd</sup> March/92 requested this office to furnish him with a list of bungalows (Rent houses) in charge of this Department and to inform him whether watchmen are needed for the cause or whether they can be looked after by village officers.

2. There are 9 bungalows in charge of this Division. All of them with the exception of one at Kamanore are properly looked after by the Conservancy Establishment and no special watchmen are needed nor do they require looking after by village officials.

3. As the bungalow at Kamanore is situated in a distant locality and as the village officers will not be able to look after the cause and its large Compound with the fruit bearing trees in an efficient way the appointment of a special watchman is indispensable.

4. The list of bungalows giving the above information was supplied to the Collector with this office No: 862 Dn d/ 30<sup>th</sup> March/92 and he (Collector) in his letter No: 197 d/ 15<sup>th</sup> Current informs me that no orders have been passed by Government regarding the Kammaone bungalow & requests me to take necessary steps on the subject.

5. Under the above circumstances I request that you will be good enough to obtain necessary sanction to the entertainment of a temporary watchman for which a proposition statement is herewith submitted.

No: 1479 T.C. d/ 23 December 1892

It is not stated how the Kammaone Bungalow has hitherto been looked after, and why the same arrangement should not be continued. It is very likely that this information will be required by Government.

Copy submitted to the Chief Engr. for sanction of Government to the entertainment of a watchman on a pay of Rs 4 per month from the 1<sup>st</sup> of February 1893.

2. It would appear that the Kammaone Bungalow is at present looked after by one of the Conservancy Lascars who has his work about Thotham, but it is reported that it is difficult to make him attend to the satisfactory condition of the building in addition to his work owing to distance.
