GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From R. HILL, Esq., Superintendent, Government Press, to the Chief Secretary to Government, dated Madras, 26th July 1893, No. 1850.

I have the honour to submit the annual report on the working of the Government Press, and its branch at the Penitentiary, for the year 1892-93.

2. *Accounts.*—The cash realizations amounted to Rs. 29,991-11-4, and were Rs. 2,662-1-10 in excess of the previous year, the increase being in subscriptions and sales of law reports, and in sales of the public works and civil account codes. There was a decrease in the receipts for advertisements on the law report wrapper. The total receipts were Rs. 55,232-14-6 against Rs. 54,000-2-5 in 1891-92 (see statement No. 1).

3. The budget grant for the year was Rs. 2,29,726, the total expenditure being Rs. 2,32,437-11-2 against Rs. 2,20,468-11-10 in 1891-92.

4. Statement No. 3 shows the apportionment of expenditure, from which it will be seen that there was an increased expenditure of Rs. 852 for overtime, Rs. 4,697 for convict labour caused by the enhanced rates allowed for prisoners working as press and machine men and binders, Rs. 1,918 for pensions, and Rs. 9,710 for miscellaneous charges under depreciation and interest on plant: the pension charges have nearly doubled in four years. There was a reduction in earnings and salaries of Rs. 972, and under clerical establishment, house-rent, &c.

5. The following statement shows the cash disbursements, book debits, and the percentage which the working expenses of the several departments bear to the subsidiary expenses. The statement serves no useful purpose and it is proposed that the same be left out in future reports.

Departments.	Cash expenditure.			Book debit.	Total of columns 4 and 5.	Percentage of columns 3 and 5 on payments to workmen, column 2.	in Percentage 1891-92.
	Payments to workmen, &c.	Supervision, clerical establishment, &c.	Total of columns 2 and 3.	Wear and tear, pensions, &c.

* Includes Rs. 1,514-5-4, Rs. 7,551-9-2, and Rs. 2,100-11-1, cost of convict labour in these departments.

6. *Publications.*—There was an increase in the issues to public offices, and large sales were effected chiefly of the public works and civil account codes.

12TH AUGUST 1893, No. 636, PUBLIC.

As the accounts for the law reports are made up for the calendar year and are dealt with in a special audit, they are no longer shown in this report.

7. *Plant*.—The value of the plant at the end of the year was Rs. 3,37,914-0-8. The additions made in the printing department were a lever galley press, imposing slabs and frames, chases and galleys; in the type foundry three type-casting machines. At the Penitentiary Branch a demy columbian press and a lever galley press were received from the district presses of Trichinopoly and Madura. The value of the plant received from England was Rs. 4,166-4-5 against Rs. 5,196-7-7 in 1891-92.

8. *Stores*.—The increase shown in stores received from the Secretary of State and the Arsenal is not an actual increase as the antimony, tin, and lead were formerly shown under Type foundry, and not under Stores. The issue were much in excess, chiefly for the Type foundry, the Gazette, and other work.

Balance on 31st March	20,681	12 5	33,574	0 9

9. *Bills checked and passed for payment*.—Five hundred and sixty-five bills were checked during the year amounting to Rs. 1,12,344-0-6, against 568 bills for Rs. 1,19,297-9-6 in 1892-93. Increased printing was incurred by the High Court, the Government Astronomer, and the Adjutant-General. Bills for district municipalities were received from the Accountant-General for the first time. There is a large reduction in the bills for the Board of Revenue (Settlement, &c.), and a reduction in the bills for the Registrar Madras University (see statement No. 6).

10. When the checking of these bills was commenced in 1878, a very large saving to Government was effected. Although printers have a better knowledge of the rates allowed, during the year the sum of Rs. 2,090-14-7 was retrenched from the total bills presented.

11. *Printing*.—There was little variation in the work done during the year. Volume ii. part ii. of Dr. Hultzsch's South Indian Inscriptions has been completed and part iii. is in hand. The Village Post Directory, in three volumes, was in progress; the Memorandum on the progress of the Madras Presidency during the last forty years of British Administration was issued, and a second edition is in hand; a Handbook of Procedure and Precedents, and The Vijayanti of Yadavaprakasa were completed; an Alphabetical Index of Manuscripts in the Govt. Oriental MSS. Library containing index, subject matter, and records was nearly completed. The Census report volume and two-thirds of the two statistical volumes were in type. Work was undertaken for 266 offices and departments. The expenditure for printing, binding and paper for the third volume of the Manual of Administration was Rs. 8,957-2-1, bringing the total cost to Rs. 64,000-3-6.

12. The cost for printing was Rs. 2,34,774-4-6 against Rs. 2,17,296-8-0 in the preceding year (see statement No. 2). The cost for the several descriptions of work done for all departments is given in statement No. 4.

13. There is a decrease of 2,462 pages of solid matter and an increase of 3,456 pages of half tabular and 902 pages of full tabular set up during the year; there was also an increase of 2,209 remade-up pages.

Sizes.	1892-93.				1891-92.

Reduced to an equivalent of pica foolscap folio, there were 13,571 pages more than in the preceding year (see statement No. 5), and there was an increase of 1,789,760 impressions. At the Government Press there is a decrease of 1,957,447 impressions and at the Penitentiary Branch there was an increase of 3,747,207 impressions.

16. The impressions only for the remaining departments call for no remarks.

17. *Binding.*—At the Government Press there was a considerable increase in full calico bindings, marble-paper covers, numbering and envelope-making; but a decrease in ruling work and perforating: the increase in full bound calico was for service books, and marble-paper coverings for job work. At the Penitentiary Branch the increases were in cartridge covers, folding, &c., and envelope-making; and the decreases were very large in the other descriptions of work. The cost was Rs. 23,420-13-7 against Rs. 25,892-15-5 in 1891-92 (see statement No. 2).

18. *Type foundry.*—The foundry was closed for five weeks whilst the casting room was being enlarged. In November three casting machines were received, raising the number to nine machines in use. One type mould, 334 punches, and 293 matrices were made. The outturn is the largest since the development of the foundry: it consisted of 10,274 lb. of english types, 1,906 lb. of vernacular types, 3,328 lb. of spaces, 10,744 lb. of quadrats, 7,633 lb. of leads, 3,580 lb. of quotations, 932 lb. of stereotype plates, and 112 lb. of clumps, &c. 38,609 lb. of metal were cast, being an increase of 2,033 lb. over the previous year. The expenditure was Rs. 12,624-1-9 (see statement No. 2). The metal for casting these types, &c., cost 2 annas 5½ pies per lb., being one pie per lb. higher than in 1891-92, and the average cost of types, &c., cast was 4 annas 5 pies per lb.

19. *Establishment.*—On the 31st March the establishment consisted of—

	At Government Press.	At Penitentiary Branch.	
		Free labour.	Prisoners.
Superintendents ..	3	..	..
Account department ..	10	..	..
Store do. ..	4	1	1
Printing—Composing departments ..	498	3	26
Examining department ..	77	1	1
Press and machine department ..	125	5	100
Binding department ..	110	5	36
Type foundry ..	47	..	..
Peons and servants ..	30	3	5
Total ..	904	18	169

showing an increase of 61 employes in the Government Press, and a reduction of 16 employes and an increase of 36 prisoners at the Penitentiary Branch. During

the year the piece-work compositors were withdrawn from the Penitentiary Branch, and the binders were reduced from 13 to 5.

20. *Earnings of Compositors.*—The average monthly earnings of the compositors were Rs. 13-5-7 at the Government Press, and Rs. 9-3-11 at the Penitentiary Branch; in 1891-92 the averages were Rs. 15-1-1, and Rs. 10-7-5 respectively. The prisoner compositors averaged Rs. 7-4-8 monthly, but it is expected that a higher average will be attained by them during the next year. Of individual earnings 8 compositors earned over Rs. 30 per month, 21 over Rs. 25, 60 over Rs. 20, 109 over Rs. 15, 156 over Rs. 10, and the remainder were below that amount. One prisoner compositor earned over Rs. 20 per month, 3 over Rs. 10, and the rest were below that amount.

21. With reference to G.O., dated 28th July 1891, No. 653, Financial, I have submitted an office-note, No. 1486, dated 4th July 1893, on the subject, and solicited orders upon it. It should, however, be recorded that a large increase of work was received from two out of the six districts selected, and more work is expected from these districts in future.

22. *Technical classes for training printers.*—For some years there has been great difficulty in getting good compositors and proof-readers, and in the endeavour to meet this difficulty a class was started in July 1890 for training volunteer compositors, later on a class was commenced for proof-readers and reading boys, and a class for pressmen. In March last I sought recognition for these classes from the Victoria Technical Institution, and afterwards I addressed the Director of Public Instruction for payments to be made to the teachers from provincial funds. In an office-note No. 1556, dated 8th July 1893, giving particulars of the work done, sanction was solicited for the teachers being permitted to draw results grants as well as their salaries.

23. *Volunteering.*—With reference to paragraph 3 of G.O., dated 24th February 1893, No. 154, Public, I have to state that in August 1889 a company of 52 men was formed for the Madras Volunteer Administrative Brigade, and all the men completed their course of drill. In August 1891 the company was amalgamated with the Madras Volunteer Guards, and its strength was then reduced to 32 men. In December of that year Rs. 32 was subscribed in the press and the company fired for nine money prizes. Subscriptions amounting to Rs. 52 were collected in December 1892, and Rs. 40 was given away in nine prizes, the balance being carried forward to next season. In addition to the 32 men in this company 12 men are in other companies of the regiment. As there is no officer in command of the company all regimental orders are addressed to the Superintendent, and the colour sergeant notifies the same to the men. Every encouragement is given to the men to become proficient in their drill and to attend the shooting practices.

Dr.

ORDER—dated 12th August 1893, No. 636, Public.

Recorded.

2. The working of the Press during the year continued to be satisfactory and a further advance was made in the substitution of convict for free labour in the Penitentiary Branch of the Press.

3. The development of the type foundry and the organization of technical classes for training printers recently recognized by the Educational Department are special features reflecting great credit on the management of the Superintendent, whose efforts to form a company of Volunteers from the Press hands are noted with satisfaction.

4. The Superintendent's proposal in paragraph 5 of his report is approved.

5. The Auditor's report is awaited.
