1st September 1893, No. 2251 W., Public Works.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From S. H. WYNNE, Esq., Government Agent, Gódávari district, to the Chief Secretary to Government, dated Cocanada, 7th July 1893, No. 59.

I have the honour to suggest that the building previously occupied by the Special Assistant Agent as an office at Kunavaram be transferred (by sale or otherwise) to the Forest Department for use—

1*st*—As a forest revenue station office.
2*nd*—As a residence for the Forest Sub-divisional officer.
3*rd*—As an inspection bungalow for all officers.

A plan of the building is enclosed and I propose that rooms A, B, C be reserved for inspecting officers, that room E may be the forest revenue office for the accommodation of establishment, records and cash chest in which at present some land revenue collections are also placed, and that rooms F, G, H and K be used for the residence of the Forest Sub-divisional officer.

2. Government have already in G.O., dated 2nd March 1892, No. 397, Judicial Department, directed that the building should be used as an agency inspecting bungalow open to all officers on inspection duty at a rent of Rs. 2 a day, but the receipts do not nearly cover the cost of maintaining a watchman.

Waddigudem, the present forest revenue station, is inconveniently situated, as the river there is shallow and rocky and it is difficult to anchor rafts, while Kunavaram is at the junction of the Gódávari and Saveri and the anchorage is good. The office at the former place is kept in a thatched shed and in 1891 there was a loss, owing to a fire, of some cheques and currency notes while the cash was also damaged by fire—*vide* G.O., dated 20th May 1892, No. 2463, Revenue. This was the second fire that occurred there. The building at Kunavaram is pucka. The fact of the residence of the Sub-divisional officer being in the same building will be an additional security for the forest and land revenue receipts. There is a police station at Kunavaram and none at Waddigudem which is on the other side of the river and two miles away.

3. The Collector can, under rule 1 of the rules under sections 35, 36, Forest Act, notified in No. 83, *Fort St. George Gazette*, dated 25th February 1890, transfer the forest station.

4. A rent would be fixed for the Sub-divisional officer's residence under the rules sanctioned in G.O., dated 11th September 1889, No. 773, Revenue. The only difficulty in making the remainder of the building a forest rest-house under those rules is that there seems no reason for giving forest officers a prior claim under rule 4. Perhaps special rules should be framed as in the case of Horsleykonda—G.O., dated 25th February 1890, Mis. No. 1349, Revenue—and these could also provide for the continuance of the fee ordered in the Government Order quoted at the beginning of paragraph 2 of this letter, but in consideration of the smaller accommodation a smaller fee than Rs. 2 should probably be fixed.

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 15th August 1893, No. 1270 G.D.

With reference to your endorsement No. 2821 C., dated the 8th instant, on letter * No. 59, dated the 7th July 1893, from the Government Agent, Gódávari district, addressed to Chief Secretary to Government, Judicial Department, I have the honour to inform you that the Special Assistant Agent's bungalow at Kunavaram therein referred to is not required by this department.

* Herewith returned.

Order—dated 1st September 1893, No. 2251 W., Public Works.

The transfer to the Forest Department without charge of the Special Assistant Agent's bungalow at Kunavaram is sanctioned under paragraph 100 F, chapter XIV, volume II, Public Works Code.
