Resolution of the Government of India, Public Works Department (Account—Establishment), dated Simla, the 15th August 1893, No. 182 A.E.

[*Retention by Accountants, 1st grade, appointed permanently as Deputy Examiners, Class II, of the amount by which their own pay may exceed Rs.* 400 *per mensem as a personal allowance.*]

Read—the following :—

Public Works Department Code, volume I, chapter I, paragraphs 19 and 20.
" " Resolution, No. 36 A.E., dated 9th February 1893.
" " " " 96 " " 13th April 1893.

Resolution.—In paragraph 1, clause II of Resolution No. 36 A.E., dated 9th February 1893, laying down revised rules for the recruitment and pay of officers of the superior establishment of the Accounts branch, provision is made for the appointment of deserving accountants to that establishment within a certain maximum proportion. Such appointments must, as a rule, be made to class II of Deputy Examiners. The pay now fixed for a Deputy Examiner, class II, is, however, Rs. 400 per mensem, while that of an Accountant, 1st grade, is Rs. 350–20–450 per mensem exclusive of the special increments of Rs. 50 each referred to in Public Works Department Code, volume I, chapter I, paragraph 20. It may accordingly happen that an Accountant of that grade selected for appointment to the Superior Accounts establishment may be actually drawing more pay than the pay of a Deputy Examiner, class II, and in such a case it is considered that the appointment should involve no reduction of pay.

2. The Government of India are accordingly pleased to rule that an Accountant, 1st grade, appointed permanently to the rank of Deputy Examiner, class II, shall, if his actual pay be more than Rs. 400 but not exceeding the maximum of Rs. 450 per mensem, be allowed to draw the difference in excess of Rs. 400 as a personal allowance. The cases of Accountants who have been granted special increments have been dealt with in Resolution No. 96 A.E., dated 13th April 1893.
