Resolution—dated 19th July 1893, No. 301.

An abstract of the programme of famine relief works for 1893–94 received from the Collector of Chingleput will be submitted for the information of Government.

2. It contains provision for the repair of irrigation works at an estimated cost of 5·96 lakhs; the construction of 138 miles of new roads and repairs to existing roads to cost 2·04 lakhs and 8·48 lakhs, respectively, and other miscellaneous works estimated at 1·63 lakhs. The latter consist chiefly of works calculated to improve the supply of drinking-water (·72 lakh) and land improvement works to be executed by the aid of State loans (·6 lakh). The total provision made comes to Rs. 18,10,496, a sum sufficient to provide employment for 21 per cent. of the population of the district, but the proportion provided for is only 15 per cent. in Saidapet and Conjeeveram and 18 per cent. in Madurántakam.

3. Estimates are ready for works costing Rs. 14,63,965 or 83 per cent. of the total provision.

4. The Collector is requested to submit, at an early date, the statement of irrigation works in and out of repair, and for the repair of which provision has been made in the prescribed form B.

5. The following mistakes are noticed in form C. The grand total for the district under column 11 should be Rs. 5,95,806 instead of Rs. 5,93,806; the total for the Chingleput taluk and the grand total for the district under column 26 should be Rs. 1,98,362 and Rs. 18,10,496 instead of Rs. 1,98,962 and Rs. 18,11,096. These corrections should be made in the office copies of the Collector.
