Enclosures.

PUBLIC WORKS DEPARTMENT.

DOWLAISHWERAM, 22nd August 1893.

SIR,

With reference to your office reminder No 1669 of 16-8-93 regarding allotment required during the current official year for constructing a steam launch for the Narvaiperry, I have the honor to inform you that I find from information received from the Deputy Director R. S. Marine at Calcutta, that the steam launch has been completed in all respects, & that there is no further expenditure to be incurred, either locally or at the Calcutta Dockyard, on her account.

2. No special application for provision of funds is therefore necessary, beyond submitting a Completion Report for the sanction of Government, in view to the admission of excess outlay already incurred & adjusted. With this object in view, I have already directed the Ex Engineer to hasten the submission of a Completion Report, which when

received. will be submitted to you-

s. I may here mention for your information that the steamer (the Helen) in question was originally constructed for use on the Narapur ferry, but that the Local Fund Board have since found it convenient to ply her on the Godavari between Rajahmundry Vizianwaram & Bobberlanka.

I have the honor to be,

Sir,

Your most obedient st-

J. D. L. L. L.,
Supt. Eng. 1st Circle.
