Abstract.—Requesting an early reply to the communication regarding expenditure on archæological remains.

Resolution—dated 12th October 1892, No. 581.

With reference to Government Order, dated 13th June 1892, No. 2802, Revenue, Collectors were called upon in the Board's Proceedings read above to report whether there was any recent expenditure on archæological remains in their districts other than that entered in the Public Works Department list forwarded with Government Order, dated 15th August 1892, No. 3820-C., Public Works.

2. The Collectors marginally noted state that there has been no such expenditure.

3. The Collector of Vizagapatam reports the expenditure of Rs. 60 under sanction of Government Order, dated 14th ~~January 1892, No. 58, Revenue~~, on a portfolio of architectural details supplied to Mr. Rea. This, however, is hardly an "archæological remains." The Collector of North Arcot says that Rs. 75 were spent in 1889-90 as detailed in his letter, copy of which is submitted to Government, but that no expenditure has been incurred since. The Collector of Madura reports the expenditure of Rs. 30 in July 1888 for repairing and fencing two kistvaens in the Palni hills.

Read replies to the above reference.

Read also memo from the Public Department, dated 16th September 1892, requesting an early reply to G.O. dated 25th May 1892, No. 356 regardin expenditure on archaeological remains.

Order dated 27th October 1892, No. 2498 L. Mis.

From the replies read above, it appears that the only buildings of archaeologica interest which were under the control of the Lo Boards and the Municipal Councils in this

Presiden

Presidency during the years 1887-88 to 1891-92 are the Nabob's palace at Trichinopoly, a portion of which was occupied by the Local Boards Training school, and the building used as a Travellers' Bungalow at Manaparai in the District of Trichinopoly. The expenditure incurred on these during the period above referred to was, as shown below:—

Buildings	Work done.	years	cost Rs-As-Ps
1- Nabob's palace at Trichinopoly	Whitewashing the portion occupied by Training school and constructing compound wall	1891-92	315-0-0

	Total		768-5-11

2. The Presidents of the District Boards f Kurnool and Nellore and the Chairman of the Municipal Council of Madura merely state that there as no expenditure on archaeological remains in 1891-92. t is presumed that there was none in the years 87-88 to 1890-91 also.

With reference to Boards' Proceedings No 465 dated 24th August 1892, I have the honor to report that there has been no recent expenditure by Government on any buildings of Archaelogical or Historical importance other than those in the list embodied in the Board's Proceedings. It is reported by Devasthanam Committees that an expenditure of Rs 2800 and about Rs 6470 was incurred in repairing the Gangaikondasholapuram and Rock fort temples respectively (items 30 and 88 in the list of Ancient Monuments issued in 1891).

2 9

2. I also enclose a list of expenditure reported by Devasthanam Committee's on other temples not included in the list of 1891, but which are mentioned in the list of antiquities by Robert Sewell

3. The Estates under the Court of Wards have spent money on the repairs of minor temples but these are not mentioned in any of the lists. Expenditure has been incurred on the palaces and cutcherry of the Zamindars of Marungapuri by the Court of Wards. These are buildings not without architectural merit and of some interest from an archaeological point of view.
