Govt. P. W. D. Madras, No. 208 A. dated  
17 June 1893.

8 May 93

Please state whether it is the intention of  
Govt. to extend the prohibition contained  
in G. O. No. 1077 W. dated 2<sup>d</sup> April 1892,  
to private work done for members of the P. W. D.

2. The case in point is as follows:—

The General Supt. P. W. Workshops  
executed certain work for himself, which  
under the aforementioned G. O. was treated  
as objectionable. It is explained in reply  
that the work was done under Code Chapter III  
Para 91 v., which authorises private work being  
undertaken at the discretion of the Executive  
Engineer under the general approval of the  
Supt. Engineer. It may be added that  
the latter Officer in returning the Divisional  
Objectionable Item State "noted" the Executive  
Engineer's

Engineers explanation of the transaction  
as conveyed above from which it is concluded  
that he has no objection to the Executive.

Note with reference  
to the Honorable member's  
rescript on draft order  
on current no 6985

The Examiner's  
reference arose on the fact  
that certain private work  
had been done in the  
workshops for the General  
Superintendent himself.

Para 91 V Chapter XIII  
Volume II P.W. Code appa-  
-rently contemplates a  
relaxation of the rules  
in favour of members of  
the P.W.D. It is therefore  
proposed in the draft  
order to permit private  
work for members of the  
department to be done  
to the workshops  
at the discretion of the  
General Superintendent.  
There will be no difficulty  
in such cases in recovering  
the cost of the work by  
deduction from salaries.

If however the  
Honorable member considers  
that

Only in aspect of deposit of  
estimated cost. There is no  
other relaxation.

that the prohibition  
against private work  
should be absolute, the  
second sentence of the  
draft order may be  
expunged.
