READ— the following paper :—

From Colonel P. D. HENDERSON, C.S.I., Resident in Mysore, to the Chief Secretary to Government, dated Bangalore, 30th August 1893, No. 2960/277-93.

I have the honour to enclose, for the information of the Government of Madras, a copy of an extract from a letter No. 2, dated the 17th July 1893, from the Diwan of Mysore applying for the services of Mr. J. J. Whiteley of the Madras Public Works Department for a period of four years from the date of his services being available.

2. The Government of India were addressed on the subject and in the following telegram have sanctioned Mr. Whiteley's transfer :—

"Whiteley's transfer sanctioned. Please intimate to Madras Works, Ootacamund, date from which his services will be required."

3. I shall be obliged if, with the approval of His Excellency the Governor in Council, Mr. Whiteley's services may be made available from the 1st December next for service in Mysore.

ENCLOSURE.

From the Diwan of Mysore, to the Resident in Mysore, dated the 17th July 1893, No. 2.

I have the honour, by desire of His Highness the Maharaja, to request that you will be so good as to obtain for the Durbar the loan from the British Government of the services of Mr. J. J. Whiteley for a period of four years from the date of his services being available.

2. Mr. Whiteley is borne on the establishment of the Madras Public Works Department as an Assistant Engineer of the 1st grade with the temporary rank of a 4th-grade Executive Engineer. Since 22nd January 1892 he has been employed in the Madras Educational Department as Acting Professor of Engineering in the Madras College of Engineering. His Highness is anxious to employ him as tutor to the young princes, the elder of whom is now regarded as sufficiently old to require an English tutor.

3. As Mr. Whiteley will be employed on educational work, the rule regulating the salary of an Engineer officer lent to the Durbar for the local Department of Public Works will not, it is believed, be considered as applicable to him, and His Highness accordingly proposes to assign to him a salary of Rs. 600 per mensem during the first year, Rs. 650 during the second, Rs. 700 during the third, and Rs. 750 during the fourth. In addition to the salary as above, the Durbar will also pay the prescribed contribution for his pension and leave allowances from the British Government.
