GOVERNMENT OF MADRAS  
REVENUE DEPARTMENT  
17 AUG 93  
CHIEF SECRETARY  
GOVERNMENT OF MADRAS

Sir,

In reference to proceedings of Government No. 1304 W. Public Works dated 15<sup>th</sup> May 1893 regarding the Chepauk tank, I beg to submit that the Brahmin ladies taking water from the tank are grateful for the notice recently put up which reserves the use of the tank for purposes of taking water. The College students have enough ground for their exercises east of the Buckingham Canal on both sides of the Pycroft's Road. The tank grounds are divided from the College premises by the Buckingham Canal and cannot be used by the students before much expense is incurred for levelling and raising the grounds and bridging the Canal. And it also seems to me that a students' ground can be opened, if necessary, north of the tank with the drain as the boundary of the tank garden, so that opposite the Caste and Gosha Hospital there will be the Caste and Gosha garden of plants appreciated by native ladies and distinct from the cotton and wild plants cultivated at the Promenade and other

and other places.  
I beg that Government will be pleased  
to allow me to improve the Shepauk Tank and  
form a garden round it within limits fixed by the  
Consulting Architect and subject to his instructions.  
I beg to remain, Sir,  
Your most obedient servant.
