9TH SEPTEMBER 1893, No. 2324 W., PUBLIC WORKS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following paper:—

From the Executive Engineer, Cuddapah division, to the Superintending Engineer, III Circle, dated 21st August 1893, No. 219.

With reference to G.O., No. 1465 W., dated 1st June 1893, paragraph 2, I have the honour to enclose letter without number at camp Jammalamadugu, dated 14th July 1893, in which the Rev. H. I. Goffin, the Missionary stationed at Kadiri, offers Rs. 800 for the old taluk catcherry there on behalf of the London Mission.

2. The description of the state of the building is rather fanciful. I have since had a detailed estimate of cost of putting it in thorough repair made out and it comes to Rs. 800 or about half the figure given. However the building—

- (1) is not wanted by Government or the Local Fund Board,
- (2) is in bad repair,
- (3) is wanted and has been used for years past by the London Mission for educational purposes, and
- (4) would not fetch much if anything more if offered by public auction.

I would therefore recommend Government to accept the offer.

From Rev. W. J. Goffin, 2324

To C. J. K. Watson Esqr.,
Exec. Engineer,
Cuddapah.
Sir, I have just learned
that the Old Cutcherry Building
in Kadiri will be offered to
us for sale, and that we may
be called upon to make a
reasonable offer for the same.

In order to save time, I
beg leave to say that we should
be willing to give Rs 800 for
the building - I think a fair
sum. The place is in a very
ruinous state, dangerous in
some places, and we shall have
to spend more than 1500 Rupees
in putting it into order. I trust
therefore the above offer for its
purchase will meet with your
approval.

I have the honour to be,
Sir,

Your obedt. Servt
