No. 1576

From

THE VENERABLE W. WESTON ELWES, M.A.,

Archdeacon of Madras.

To The Hon.
the Chief Secretary

Sir, I have the honor to state for the information of Government that the Rev. C. H. Pelly, Ag. Chaplain of St. Thomas' Church with Pallaveram reported to me lately that the Cemetery at Pallaveram is nearly full, & that it must either be extended or a new Cemetery must be made.

2. I have visited the Cemetery with Mr. Pelly, a Major Haying, Commanding Detachment. We find that the Cemetery can be extended towards the East. If the extension is made of the same size as the present Cemetery, there will be room for 400 increments, & at the present rate of burials there will be ^{no} need of any further extension for the next 50 years.

3. The average no. of burials during the past 5 years has been 7 per annum. In the present Cemetery there is still room

do Children 2

Non-Conformists Adults 10

but as a matter of fact there is very seldom any
burial in this Cemetery at which the Church of
England Service is not used, and the ground
set aside for nonconformists is consecrated &
could if necessary be used for members
of the Church of England

4. If Government approves of an extension
being carried out at once, I have the honor
to request that instructions may be issued
to the Department Public Works to prepare
an estimate. I should be glad to be placed
in communication with the Officer deputed
to this work, that I may confer with
him concerning the nature of the ground
& the necessary diversion of a Drain -

I have the honor to be

Sir,

Your most obedient servant
