From Lieut.-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Kodaikánal, 1st July 1889, No. 260 M.D.

The groups of Police buildings noted below in the Madura district having been lately vacated, fell to the charge of this department:—

2. Items Nos. 1 to 4, 7, 8, 10 and 12 are said to have been built by the Police Department, and 5, 6, 9 and 11 by the Public Works Department; Nos. 1 and 3 have been handed over to the Revenue Department at the request of the Collector for use as offices by the village officials; Nos. 7 and 8 have been placed at the disposal of the Executive Engineer, No. II Periyár division; and the other eight items remain to be disposed in public auction as they are not required by any other department.

3. It is reported that the Collector of Madura has informed the Executive Engineer that the zemindar of Sandyur offers Rs. 250 for the Sandyur station and huts Nos. 9 and 10, and as there are apparently no other possible purchasers, it is recommended that this offer be accepted.

4. In the case of the remaining eight items (including Nos. 9 and 10), as the lands should be sold with the buildings, neither being of appreciable value apart, the sale would have to be conducted by the Revenue Department.

5. It is also reported that all the thatched huts are gradually deteriorating from the action of the weather. I have therefore the honor to request early sanction to the disposal of the above eight items, and to the transfer of the two items (1 and 3) to the Revenue Department.

Read—the following endorsement by the Public Works Department, dated 9th July 1889, No. 490 D.

Referred to the Judicial Department for favor of information whether there is any objection to the disposal of the huts as recommended by the Superintending Engineer.

READ—the following papers :—

From Major W. L. C. BADDELEY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 8th August 1893, No. 429 M.D.

In G.O. No. 2293 W. of the 21st August 1889, the police station and huts at Sedapatti in Madura were ordered to be sold by the Revenue Department, but the Collector in a letter No. 1637 of the 17th July 1893 addressed to the Executive Engineer states that his Deputy Collector has not been able to sell the buildings for want of bidders.

2. It is also stated that one Thevadu Seetharama Iyer, who holds patta for the site of the station-house, claims the land (alone) and that there is no record in the Collector or Police offices to show whether the site was purchased by Government or on what terms it was taken.

3. The Collector, however, recommends that the buildings be handed over to the Taluk Board for a chattram, leaving that Board to settle the dispute, if any, with the above claimant Thevadu Seetharama Iyer.

4. I see no objection to the above proposal and I have the honour to request the orders of Government thereon.

From the Executive Engineer, Madura Division, to the Superintending Engineer, VI Circle, dated 14th August 1893, No. 311 S.E.

In continuation of this office No. 282 S.E. of 4th July 1893, I have the honour to forward herewith, for your information, a petition from Thevadu Seetharama Iyer together with a copy of the notice given by him to the Collector.

2. It would appear from paragraph 3 of the petition that he is willing to purchase the Sedapatti police station and huts for Rs. 250. As the sale of the buildings for this sum appears more advantageous than the transfer thereof free of cost to the Local Fund Board for use as a choultry as suggested by the Collector, I would recommend the former course being adopted.

No. 468 M.D.

Copy forwarded to the Chief Engineer, Public Works Department, together with the enclosures, with reference to this office No. 429 M.D. of 8th August 1893.

2. Thevadu Seetharama Iyer's offer to purchase the station-house and huts for Rs. 250 appears reasonable under the circumstances stated in the letter above quoted; it is recommended that sanction be accorded for the buildings to be sold to him.
