GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

Distribution of Army—Native Army.

Read the following paper:—

No. . From Colonel A. G. HUTCHES, for Quarter Master General, Madras Army, to Brigdr.-Genl. H. R. HOPE, Secretary to Government, Military Department; dated Ootacamund, 15th August 1893, No. 1555-MW (Distribution of Army—Native Army).

With reference to Proceedings of Madras Government, No. 7256 of 16th November 1892, I am desired to report, for the information of Government, that orders have been issued for the withdrawal to regimental head-quarters (Vizianagram) of the detachment of Madras Infantry from Samalkot, as soon as the East Coast Railway as far as Vizianagram opens to passenger traffic, which was expected to take place at the beginning of the current month; for the sale by public auction of the detachment lines, on their being vacated,—the sale-proceeds being credited to Government; and for the public buildings attached thereto being handed over to the Public Works Department; and to request that the necessary orders may issue for that department to take over charge accordingly.

2. I am also to solicit that the Executive Engineer, Vizagapatam Division, may be directed to assist the Officer Commanding in framing the estimates required for the construction of lines for the detachment at Vizianagram, pending the erection of which, the men will be temporarily accommodated in existing lines at that station.

3. The date on which the detachment is withdrawn from Samalkot to regimental head-quarters will be intimated to Government in due course.

No. . ORDER THEREON, 4 September 1893, No. 6781

The orders issued by the Provisional Commander-in-Chief in regard to the withdrawal without relief of the detachment, 11th Madras Infantry, from Samalkot to regimental head-quarters (Vizianagram) and for the disposal of the lines, &c., at the former station are approved.

2. The Public Works Department will be requested to issue the necessary instructions for taking over charge of the public buildings attached to the detachment lines at Samalkot and for rendering the Officer Commanding assistance in framing the estimates required for the construction of new lines for the detachment at Vizianagram.
