Letter—to the Secretary to the Government of India, Public Works Department, dated 21st July 1893, No. 1893 W., Public Works.

With reference to your letter No. 14 A.G., dated 18th January 1887, sanctioning the provision of a residence for the Head Assistant Collector at Nandyal and expressing a hope that the cost would be kept down to a sum on which the occupant can fairly be called upon to pay the full rental according to Code rules, I am directed to state that after much correspondence this Government has finally approved an estimate for the purpose amounting to Rs. 12,060 inclusive of the cost of site. This estimate has been based on a type design issued by this Government, copy * of which is enclosed.

* Proceedings No. 2978 W., dated 7th November 1891, with plan.

2. The rent of the proposed building, calculated according to rule I, paragraph 28, chapter XI, Public Works Code, will amount to about Rs. 76 per mensem, but under the limitation in clause (1), paragraph 17 of the same chapter the rent should not exceed Rs. 61 per mensem, which is about 8 per cent. of the salary of a Head Assistant Collector. The rent to be recovered, Rs. 76 per mensem, will not, however, exceed the maximum rate fixed by rule II, paragraph 28, and I am therefore to request the early sanction of the Government of India to the proposal.
