To

The Superintending Engineer

W. Circle, Trichinopoly

Sir

Adverting to your letter dat
21st Instant, N^o 1041 Ind, I have the
honor to inform you that I concur
with you in your views expressed
in the concluding portion of para 2
of your letter and to state with
reference to para 1 thereof that the
Deputy Collector Madura Dn. has
been requested to submit a full
report after enquiry at a very
early date and definite reply
will be sent to you on receipt of
his report. I may however inform
you that if immediate or early
steps be taken for the requisition
of the lands referred to, it may be
possible to acquire ~~them~~ or a
great part of them before the time
specified. Every thing will depend
upon the fact whether the owners
are willing to part with the lands
at the compensation settled by
Revenue officers. In cases where

are no objections, there will be
no difficulty to acquire them
within the time.

I have for

No 1041. UD for Collector.

Copy forwarded to the
Chief Engineer D.P.W. with reference
to his Lt: 5377C of the 17th December
1892, regarding land to be required
around the Srinimal Kaik's & lane
at Madura. A definite report will
be made on receipt of the further
information promised by the Collector.

The Collector of
Madurai.

Sir
With reference to your footnote No.
5509 of 28.12.92 & 4-1-93, I have the honor to
forward herewith a declaration for
the acquisition of the house & house
sites around the Tirumal Nair's Palace,
which the Government has finally
decided to be acquired. The period within
which compensation may be paid, de-
pends to a great extent, upon the pub-
lication of the declaration & schedule,
in the North & S. George Gazette. If it
can be arranged to have these published
before the middle of February, com-
pensation may be settled early in March.
15 days notice has to be given to the
owners & if the necessary funds are placed
at my disposal early in March, I
think that the compensation may be
paid mostly before the end of the current

ical year. I apprehend the difficulty in settling compensation to the owners of houses marked 35, 37, 38, 39 & 41 in the plan; for they are substantial houses and the owners thereof would not easily part with them. As regards the other houses which are not very valuable, I do not think there would be any difficulty.

I have been informed with your feet. The references are herewith enclosed.

I have &c.

Yours faithfully,
Dy. Collector

(True copy)

Forwarded to the Super Engineer, Coimbatore, Trichinopoly for information in continuation of this office letter No. 2828 d/28 December 92.

If it be intended that the lands should be acquired within the end of March next, it is requested that immediate intimation be given so that timely steps may be taken for their acquisition.
