Revised draft
 has been submitted for ap-
 proval -

The revised draft
 shows exactly how
 the question stands
 with respect to the
 provision of funds
 for the S.I. by London
 at Cuddalore.

The plans & in-
 timates for the S.I. by
 buildings at Bellona
 have already been
 sanctioned by Govt.
 & they need not there-
 fore be again sent
 up.

In forwarding
 the schedule of de-
 manded for mil-
 works in 1894-95,
 the L. M. G. express
 a hope that Govt.
 will be able to
 obtain a grant

in aid towards
of the Nellore
this question will
be taken up in
the schedule to the
report. No reference
on the part of
is made.

I am not certain
about para 2. of the draft
as the file about the con-
struction of an armoury
at Nellore is not here.

This para. has been
inserted with the object
of letting the Military
dept. know that the
application for funds for
the Nellore armoury has
not met with success. That
dept. has had a copy
of the letter direct from
the Govt. of India.

But what will be
the use of re-submitting
the Estt. - The
Provincial Govt. cannot

give a grant, &
apparently the
G. M. declines
to do so

all
2/9/93

D. W.

But the Govt. of India
may be disposed to make
a grant towards the Nellore
armoury next year, if
a similar grant-in-aid
to Volunteer corps is made
in 1894, & the application is
renewed.
