For orders -

"Gum bottles with
Brushes" are authorised
for supply only to
Hospitals, vide Appendix
A, page 20. Stationery Rules

The reasons given
by S. I. for extending
the supply to his office
are applicable to W
office, to the Examiner
of Railway Officers, &
probably to all Super-
vising offices.

Under para 2
of the Stationery Rules,
no addition to Appendix
A. can be made without
sanction in the Finance
Dept, & if it be
considered that the
present appropriation
should be transferred
to that Dept. for con-
sideration, it would

well perhaps to ask
 sanction to the extent
 of the supply to all
 administrative offices
 the P.D.

The Financial
 will however protest
 about on the ground
 that gun bottles are
 not supplied to all
 depts. of the Secretariat
 or to heads of line
 depts.

There can be no
 harm in obviating
 this Financial
 Dept. - though I think
 it may with probability
 refuse to acquiesce
 in the supply

Sir,

With reference to L.O. No. 1328 W of 17-5-93, I have the honor to submit for sanction of Government a Statement of the watchmen employed in this Division for 1893-94.

The duties of most of these watchmen are sufficiently explained in Col. 3. of the Statement.

Nos 2 and 3 (Periyar Camp gates)

are

238/7

are stationed to prevent the export
of stolen Government tools and other
property, and have detected so
many attempts in this direction as
to amply justify their existence.

No 7 (Superintendent of Works bungalow)
is required only temporarily, so long as
Mr de Winton's bungalow remains —
unoccupied, which I understand will
not long be the case.

Nos 23 and 24 (Kumili Reservoir band)
are employed in regulating the surplus
issue of Kumili reservoir and in
reporting the reservoir water level.

I have the honor to be,
Sir,
