To

The Chief Engineer

Public Works Department

Madras

Sir,

I have the honor to report  
that I have been Compelled to telegraph  
to Mess<sup>rs</sup> W. E. Smith & Co, Madras,  
for 2 lbs of quinine, the stock of  
which is exhausted at both Penigar  
and Thekady hospitals.

2 The annual Supplies of medicine  
were due from the Surgeon-General  
in July, but I learn that they have  
not

not yet been despatched from Madras.

Meanwhile the fever at both Camps is very much above normal and the demand for quinine so large that the annual supply — intended for about half the present number of fever cases — will be quite insufficient when it arrives.

3. I beg that under these circumstances that you will be good enough to ask Government to sanction my action.

I have the honor to be,

Sir,

your most obedient servant
