GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following paper :—

From the Quartermaster-General, Madras Army, to the Secretary to Government, Public Works Department, dated Ootacamund, 6th September 1893, No. 1667 M.W.

I am desired to forward, for submission to Government, the schedules of military works requirements of stations in this Presidency which continue to remain under the control of the Public Works Department in connection with the Imperial Military Works budget estimate of the ensuing financial year. The schedules of requirements at all other stations in this Presidency, which have been placed in charge of the Military Works Department, have been forwarded to the Chief Engineer for transmission to the Director-General of Military Works.

2. The works have been classified in the usual manner, those enumerated in the class C list being such major works as are required in addition to those printed in the schedule circulated with the final issue of the current year's budget estimate, as it will stand after the works enumerated in list D have been removed from it.

3. The only item included in the class A list, for which presumably an allotment will be required during the coming year, is that for constructing quarters for the Sergeant-Instructor of the South Indian Railway Volunteer Corps at Cuddalore. Three items have been included in the class B list, for all of which the Provisional Commander-in-Chief hopes it will be found possible to secure funds next year as their early execution is considered very desirable. It will be noted that the first item included in the latter list forms a part of a project which the Government of India, in paragraph 5 of its letter embodied in G.O., No. 1871 W. of 20th July 1893, decided should be excluded from appendix B of the current year's budget. Funds for the construction of quarters for Sergeant-Instructors are however provided in the Military Works budget and it is hoped also that the Government of India will allot the requisite funds for the remaining portion of the scheme estimated to cost Rs. 3,750 from the grant which it is understood will be apportioned next year for the provision of such buildings, the cost of which, under existing regulations, Volunteer Corps are required to meet from their capitation grant, or treat the above sum as an advance to the corps, the same to be repaid by annual instalments as recommended in my letter embodied in G.O., No. 3475 W. of 20th December 1892.

4. In conclusion, I am to solicit that efforts may be made to secure a liberal grant for the execution of minor works next year especially as it has now been decided that this grant should meet the cost of all minor works costing Rs. 2,500 and under. Several minor works have this year been held in abeyance owing to the insufficiency of the allotment given for this purpose.

ORDER—dated 22nd September 1893, No. 2436 W., Public Works.

Ordered that the schedule of requirements for 1894-95 on account of military works at stations in charge of the Public Works Department be forwarded to the Government of India, Military Department.

2. The grant proposed for the Sergeant-Instructor's quarters of the South Indian Railway Volunteer Corps at Cuddalore represents the unallotted balance of the estimate for the quarters only and does not include provision for the armoury, magazine and store room of the corps.

3. Item No. 2 of the schedule forms part of a project which the Government of India in paragraph 5 of its letter No. 2023 M.W., * dated 30th June 1893, ordered to be removed from the budget estimate

of the current official year. This item has, however, been brought forward again, the cost of quarters for Sergeant-Instructors being chargeable to the Military Works grant. As regards the armoury, magazine and office room, which form the remaining items of the project and which it is intended to construct in one block with the Sergeant-Instructor's quarters, the latter forming the upper storey to the former, the Government of India will, with reference to the proposals laid before that Government in letter No. 3476 W., dated 20th December 1892, be requested to sanction a grant-in-aid from the amount to be reserved for distribution to this class of buildings in 1894-95.

4. An allotment of Rs. 10,000 has been applied for under Minor Works as several works under that head have been held in abeyance in the current official year from want of funds.

5. The current year's grant of Rs. 50,000 under Repairs having been found insufficient, an allotment of Rs. 55,000 has been proposed for 1894-95.

6. The requirements of the Commissariat and Ordnance Departments have not been included in the schedule with reference to the instructions contained in the letter from the Government of India No. 2672 M.W., dated 14th September 1892 (G.O., No. 2822 W., dated 10th October 1892).

7. The Superintending Engineers concerned will lose no time in submitting plans and estimates for the unsanctioned works included in the schedule.

HEADING

*Accounts
Budget Estimate*

QUARTER MASTER GENERAL'S OFFICE,

Ootacamund,

6th September 1893.

It is requested that the heading, number, and date of this communication may be quoted in any subsequent correspondence on this subject.

No. *1667 M.W.*

From

~~BRIGADIER GENERAL E. H. EYRE,~~*The* QUARTER MASTER GENERAL, *1 P.*

To

THE SECRETARY TO GOVERNMENT,

P. W. ~~MILITARY~~ DEPARTMENT.

SIR,

I am desirous to forward for submission to Government the Schedules of Military Works requirements of stations in this Presidency which continue to remain under the control of the Public Works Department in connection with the Imperial Military Works Budget-estimate of the ensuing financial year. The Schedules of requirements at all other stations in this Presidency which have been placed in charge of the Military Works Department have been forwarded to the Chief Engineer for transmission to the Director General of Military Works.

2. The works have been classified in the usual manner, those enumerated in the class C list being such Major works as are required in addition to those printed in the schedule circulated with the final issue of the current year's Budget Estimate, as it will stand after the works enumerated in list D have been

been removed from it.

3. The only item included in the class A list, for which presumably an allotment will be required during the coming year, is that for constructing quarters for the Sergeant Instructor of the South Indian Railway Volunteer Corps at Cuddalore. These items have been included in the class B list for all of which the Provisional Commander-in-Chief hopes it will be found possible to secure funds next year, as their early execution is considered very desirable. It will be noted that the first item included in the latter list forms a part of a project which the Government of India in para 5 of its letter embodied in G.O. No. 1871 W of 20th July 1893, decided should be excluded from Appendix B of the current year's Budget. Funds for the construction of quarters for Sergeant Instructors are however provided in the Military Works Budget and it is hoped also that the Government of India will allot the requisite funds for the remaining portion of the scheme estimated to cost Rs 3750 from the grant which it is understood will be apportioned next year for the provision of such buildings the cost of which under existing Regulations Volunteer Corps are required to meet from their Capitalisation grant, or treat the above sum as an advance to the Corps, the same to be repaid by annual instalments as recommended

1436/11 in my letter embodied in G.O. No. 3475 W of 20th December 1892.

4. In conclusion, I am to solicit that efforts may be made to secure a liberal grant for the execution of Minor works next year especially as it has now been decided that this grant should meet the cost of all minor works. Cooking Rs 2500 and under. Several minor works have this year been held in abeyance owing to the insufficiency of the allotment given for this purpose.

I have the honor to be
Sir
your obedient servant

Respectfully,
Colonel
For Quarter Master General

of a project which the
Govt. of India in para 5
of its letter no: 2023 ^{M.W.} Wd/ ^{x G.O. No: 1871 Wd/ 20 July 1893}
30 June 1893 ordered to be
removed from the budget
estimate of the current
official year. This item
has however been brought
forward again, the cost of
quarters for Sergeant
Instructors being chargeable
to the Military Works grant.
As regards the armoury,
magazine and office room
which form the remaining
items of the project and
which it is intended
to construct in one block
with the Sergeant Instructors
quarters, the latter forming
the upper storey to the
former, the Govt. of India
will, with reference to
the proposals laid before
that Govt. in letter no:
3476 Wd/ 20 Decr. 1892,
be requested to sanction
a grant in aid from the
amount to be reserved
for distribution to this
class

- class of buildings in
1894-95. 56 ^{2436 7/13}
4. An allotment of Rs. 1000
has been applied for under
minor works as several
works under that head
have been held in abeyance
in the current official
year from want of
funds.
 5. The current year's grant
of Rs. 50,000 under Repairs
having been found insuffi-
cient, an allotment
of Rs. 55,000 has been
proposed for 1894-95.
 6. The requirements of the
Commissioner and Ordnance
Departments have not been
included in the schedule
with reference to the
instructions contained
in the letter from the
Govt. of India No: 2672 M.W.
Wd/ 14 September 1892
(G.O. No: 2822 Wd/ 10 Oct. 1892)
 7. The Superintending
Engineers concerned
will

2436-7
14

will lose no time in sub-
mitting plans and estimates
for the unsanctioned
works included in
the schedule
