READ— the following paper:—

From Major-General E. H. H. COLLEN, C.I.E., Secretary to the Government of India, Military Department, to the Secretary to the Government of Bombay, Public Works Department, dated Simla, the 19th July 1893, No. 2281 M.W.

I am directed to acknowledge the receipt of your letter No. 497, dated the 8th March 1893, to the address of the Government of India in the Public Works Department, asking, with reference to this department amended Resolution No. 2407 M.W., dated the 22nd August 1892, whether land within cantonment limits in the possession of a Railway administration can, without the sanction of the Government of India in the Military Department, be put to any use by the railway, such as the construction of new staff quarters upon it, provided that there is no fort in its neighbourhood.

2. In reply, I am to state, for the information of His Excellency the Governor in Council, that the Government of India consider that their sanction in the case under reference is not necessary.

3. I am, however, to remark that, should such land fall in the vicinity of any fort, &c., which exists, or the construction of which has been approved, the sanction of the Government of India in the Military Department would be required prior to its being built upon, and I am to add that in any doubtful case a reference to this department should be made.
