TO
The Secretary to the Government of Madras,
Public Works Department

Calcutta The 5th of September 1893.

SIR,

THE Government of India having ruled that telegrams regarding leave, arrangements for journeys when travelling allowance is drawn, or on other private business, should be paid for from the private funds of the person concerned and not charged to the State, I have the honour to request the favour of your causing to be paid into the Treasury the sum of Rs 3/8/-, being the cost of the telegram, copied in the margin, which, though classed "State" by the sender, does not appear to have been properly chargeable to Government. If, however, the telegram was classed "State" by mistake and the amount paid for it has not been charged to Government, an intimation to this effect from the sender will be accepted and the claim withdrawn.
