FIRST CIRCLE.

SIR,

With reference to your endorsement no. 244 V.J. of 12th instant, on Chief Engineers Memo: no. 6268/8-7-98, I have the honor to inform you that there are only 3 clerks in this office besides the head clerk. A statement showing the distribution of office work among these clerks is herewith sent. The office establishment is now being overworked from 6 to 11 a.m and from 1 to 6 P.M. ie. 10 hours a day including Sundays and other public holidays. Though the tools and instruments can be looked after by the Draftsman as proposed, still a clerk to keep up the receipt registers and to assist the office in routine work (now being done by the storekeeper vide statement) is absolutely necessary. It is impossible to throw any additional work on the clerks 2 & 3 in the statement.

2. A proposition statement for a temporary clerk on Rs 15 per mensem is herewith sent.

3. I must again reiterate my opinion that the services of the storekeeper were dispensed with under a mistake - as he was a sanctioned permanent member of my office establishment. It would

2456/7

would be simpler to get Chief Engineer's order cancelled than to send in a proposition statement every year.

3.

SIR,

I have the honor to submit herewith a Proposition statement for a temporary clerk on Rs 15 pay required for the Vizagapatam Division office, prepared in accordance with instructions contained in your memorandum No. 526 Dated 6th July 18[illegible].

2 - In this connection I may be allowed to enclose the marginally noted correspondence from the Executive Engineer Vizagapatam Division for favor of your perusal. It appears to me that Mr. Foord has made a strong case of the necessity for retention of storekeeper either styled as such or as a clerk.

No 958 2-8-93 & C 308 of 16-8-93 with enclo.

2456/10

3. When applying for your sanction for the reduction of storekeeper's security money, it was certainly not the intention of the Executive Engineer nor of myself that the propriety of retention of the storekeeper's appointment should at all be in question. There is nothing so peculiar about the Vizagapatam Division that it should be the only Division in the Presidency without a storekeeper.

4. A storekeeper or a clerk is an absolute necessity for Vizagapatam D[illegible]. It is a permanent appointment sanctioned by Government. In my opinion, the necessity which had existed for this post at the time of sanction and introduction, still remains unchanged.

5. Under these circumstances, I would respectfully and strongly urge your reconsideration of the decision contained in your memo quoted supra and permit the continuance of the appointment.

I have the honor to be
Sir
Your most obedient servant
