From A. A. G. Malet Esqre, Executive
Engineer, Fista Western Division, to the
Superintending Engineer, II Circle, dated
6th September 1893, No. 308 S. 2461

As in G. O. No. ^{1975 W}/_{31.7.93} the transfer
of the Head Quarters of the Fista
Western Division to Sitamagaraw
was sanctioned on the score of

(1) Administration

(2) Unhealthiness of Duggirala,
and as I am unable at present to
obtain a house at Sitamagaraw
I have the honor to inform you that
I have taken a house in Guntur as
I am not willing to expose myself
or my family to the effects of a
continued residence at Duggirala.
I presume Government will not
expect me to pay rent for two houses
at once; so, I have the honor to request
permission to surrender the Executive
Engineer's house at Duggirala from
including the 25th August, the date on which
I vacated it.

No. 6424 Ks
3-9-93 Forwarded to the Chief
Engineer, P. W. Department for
consideration

consideration.

2. As Dugginala is unhealthy,
it seems to the undersigned that
it is unreasonable to expect the
Executive Engineer to live there and
pay house rent.

I would not allow this until the question
of the purchase of the Dittanapuram houses
is finally settled. The alleged unhealthiness
of Duggirala is not the reason for which the
change has been sanctioned. I don't much
believe in it myself. If the Malet chooses
to keep his family at Guntur that is his
lookout. It would be very inconvenient
that he should be at Guntur & his office
at Duggirala. Guntur is not a convenient
place for the
Engr. Engineer's
headquarters.
