Account.

READ—the following paper:—

From the Director-General of Stores, India Office, to the Secretary to the Government of Madras, Public Works Department, dated Whitehall, S.W., 30th August 1893, No. S.D.O. 2798.

With reference to the indent of the Madras Harbour Trust Board received with your letter No. 1583 W., dated 14th June 1893, I have the honour to inform you that, owing to the unusual dimensions, excessive length and narrow width, the 28 feet X 9 inches pine planks can only be obtained in Oregon pine at a total cost of £18.

2. As this sum is so much in excess of the indent estimate of cost (£3), I shall be obliged by your informing me as to your wishes before any further steps are taken towards a supply.

3. The indent estimate would only cover the cost of common deals cut to thickness, but these could not be obtained of the required length.

4. Yellow pine is usually sold in widths of about 13 inches and lengths not exceeding 16 feet.
