A Sum of Rs. 42,500 is urgently required for the suspension bridge on the Kullar. The amount at the credit of the Provl. reserve, being only Rs. 20,72 is insufficient to meet this demand. As, however, some of the works for which funds have been provided in the current year have not yet been put in hand either from want of sanctioned estimates or owing to the not having been handed over, and as it is not likely that the entire allotments for such works will be utilise during the remaining half year, it is proposed to withdraw portions of the allotments as shewn
