Read—the following paper:—

G.O., dated 15th September 1893, No. 1892, Judicial.

Read—the following letter from the Registrar, High Court, Appellate Side, Madras, dated 1st September 1893, No. 2321:—

In forwarding, herewith, copy of letter, dated 10th July 1893, No. 730, from the District Judge of Gódávari, together with a plan and estimate (and other enclosures) for the provision of ventilators for the court-house of the District Munsif of Ellore, I am directed to request that, for the reasons stated in the letter, His Excellency the Governor in Council may, under G.O., dated 18th March 1892, No. 892 W., be pleased to issue the necessary orders for the work being carried out by the Public Works Department.

Enclosure.

From H. T. ROSS, Esq., District Judge, Gódávari, to the Registrar of the High Court of Judicature, Appellate Side, Madras, dated Rajahmundry, 10th July 1893, No. 730.

I have the honour to state that, on my personal inspection of the Ellore District Munsif's court-house, I found, among other things, that the Court hall was not properly ventilated. I therefore addressed the Superintending Engineer on the matter and received a reply that the Court hall would be improved by opening two large ventilators.

2. The District Munsif was thereupon asked to get the work done by contract and to charge the same under petty construction and repairs for 1893–94. As he was apprehensive of himself undertaking the work which requires some care, the Superintending Engineer was requested to prepare plans and estimates, which are herewith submitted, for the work to be carried out by that department.

3. I have accordingly the honour to request that the High Court will be pleased to obtain the orders of Government under G.O., No. 892, dated 18th March 1892, to the work being carried out by the Public Works Department, as the probable cost of it is less than Rs. 1,000.

Order—dated 15th September 1893, No. 1892, Judicial.

The necessary orders for the execution of the work by departmental agency will be issued in the Public Works Department.

2. The type design of District Munsif's Court which was circulated with G.O., dated 27th July 1887, No. 2008 W., P.W., will apparently need revision.

(True Extract.)

(Signed) J. F. PRICE,
Chief Secretary.

ORDER—dated 2nd October 1893, No. 2509 W., Public Works.

The execution of the work by the Public Works Department is sanctioned, and the plan and estimate will be forwarded to the Superintending Engineer, I Circle, for early execution.

2. The question of altering the type design of District Munsifs' court-houses will be separately considered.
