OFFICE NOTE No. 1084 D

To

W.

In the supplemental contingent bills for March 1893, of Kurnool and Kistna Eastern Divisions, charges for medicine amounting to Rs. 7-9-5 and Rs. 167-3-0 respectively were claimed and admitted provisionally. The Executive Engineer Kurnool Division stated that the medicines were bought for distribution among the low paid officials located at places where there was no medical aid and for general use, while the Executive Engineer Kistna Eastern Division replied that they were supplied to several important stations where the boats had to be disinfected during the prevalence of cholera.

2. As the charges are unusual, orders of Government are requested as to whether they can be admitted. The only Code rule on the subject appears in the P.W.D. Code, volume I, chapter IX, para 97.
