No. 334 S.E.

I have the honour to inform you that the hospital, latrine and kitchen forming part of the old taluk cutcherry buildings at Perambalur are reported to be in a dilapidated condition and that the Collector of Trichinopoly proposes to demolish them and utilize the wood work and files in the construction of a ryots' shed.

2. As the buildings in question are not at present used by any department and as they are in a very bad state of repair, I think it is not worthwhile to maintain them. I request therefore that, under chapter II, paragraph 20 of the Government of India Public Works Code, necessary sanction of Government for the dismantlement of the buildings under reference may be obtained.

3. On the receipt of sanction in this office, the Collector will be asked to demolish the buildings and use the materials as proposed.
