Office of the Consulting Architect to Govt.,
 Chepauk, Madras,
 29th September 1893.

No. 1984

From

Henry Inwin, Esq., C.I.E.,
 Consulting Architect
 to the Government of Madras,

To

The Chief Engineer
 Public Works Department.

Sir,

Enclosures.

I have the honor to report that
 I have written to Messrs Richardson &
 Franks, Bombay, to enquire whether they
 can supply of local manufacture the piping
 fittings, pump & required for the works
 lately sanctioned in G.O. No. 2266 dated 4th
 September 1893, for the water supply to
 Government House, Quindry. In case they
 cannot supply them of local manufacture
 I would request permission to purchase
 them of English manufacture, as a special
 case as considerable delay will occur if they
 have to be ordered for in the India office,
 it is important that this work should be
 done

done without any considerable delay.

I have the honor to be

Sir

Your most Obedient Servant
