No. 360 M.

SUPERINTENDING ENGINEER'S OFFICE,
V Circle, Madras,
Chepak, 3 October 1893.

From J. C. Larmine Esquire

SUPERINTENDING ENGINEER, V CIRCLE,

To THE Chief Engineer
P. W. Department

SIR,

Enclosures 3

1 Summary
1 Judgment
1 Decree

With reference to this office letter no. 518 M.d/13rd December 1892, reporting that the Court of the Subordinate Judge of Negapatam dismissed the appeal, (the defence of which was sanctioned in f.d. no. 1421 M.d/6th May 1892) instituted by the Mirasidars of Pulienjainy against the decision of the District Munsiff of Kumbakonam, in regard to work executed by this Department to the Pulienjainy Tank, I have the honor to state that the Mirasidars have appealed to the High Court against the Subordinate Judge's decision.

2. The copies of the Subordinate Judge's Judgment and Decree returned with f.d. no. 348 M.d/

of 20th December 1892 are retransmitted herewith
together with the summons served on the Exce-
-lence Engineer Tanjore from the High Court, and I
request that orders may be issued authorising
the Government Pleader at Madras, to under-
-take the defence of the Appeal in the High Court.

3. It will be seen from the summons that
the 18th Instant is fixed for the hearing of the
Appeal.

4. I attach the greatest importance to the success-
-ful defence of this case, as on the issue will
depend, whether this Department is, or is not,
to have any voice in the much needed question
of the revision of Irrigation arrangements in
Tanjore, a question which, owing to the necessity
for economy in the distribution of water, calls for
early settlement.

I have the honor to be
