GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers:—

From Major A. W. SMART, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 25th August 1893, No. 330 E.W.

I have the honour to submit, for sanction of Government, plans and estimate, amounting to Rs. 7,150, for constructing quarters with out-houses for head bandsmen at Government House, Ootacamund.

2. It is proposed to charge the cost of these buildings against the available balance of Rs. 13,648 under the sub-head "Finishing the exterior of the main building," item No. 23 of the general estimate—*vide* G.O., No. 2384 W., dated 29th August 1889.

3. The Executive Engineer reports that the work will be so carried out that only half the payment will be made in the current official year and the remainder in 1894–95.

From Major the Hon'ble R. T. LAWLEY, Military Secretary to the Right Honorable the Governor, to the Secretary to Government, Public Works Department, dated Ootacamund, 23rd September 1893, No. 182.

With reference to your memorandum No. 892 D., dated 22nd September 1893, I have the honour to inform that—

(1) (*a*) The military pay of a bandmaster sergeant, irrespective of family pay and allowances, is Rs. 50 per mensem.

(*b*) The military pay of a senior bandsman, irrespective of family pay and allowances, is Rs. 35 per mensem.

(2) (*a*) The scale of accommodation for a bandmaster sergeant is in accordance with the scale laid down for sergeant, class A, appendix C, section I of the Public Works Department Code, Madras.

(*b*) No scale is prescribed for a senior bandsman.

(3) No rent will be charged.

(4) The bandmaster sergeant and senior band sergeant are at present housed in the ordinary married men's quarters. These are very small and are only four in number, and as almost all the senior men in the band are married, some have every year to leave their wives and families in Madras thereby entailing considerable privation.

Order—dated 10th October 1893, No. 2561 W., Public Works.

His Excellency the Governor in Council observes that the accommodation proposed is largely in excess of that prescribed for the corresponding grade of staff sergeant and that the building is not well designed.

2. The plans and estimates will accordingly be returned to the Superintending Engineer, IV Circle, for revision. The scale of accommodation should be that for sergeants, class A, at hill stations—*vide* appendix C, section I of the late Madras Code.

The quarters appear to be largely in excess of scale assuming a head bandsman equal to a sergeant. Also badly designed. The rooms called dining rooms are apparently without any means of lighting. I think better plans should be called for.
