Memo. - 2

Last year a screen was put up in the P. W. Secretariat office at Ootacamund, so as to divide off a portion of the room for occupation by the Chief Assistant. The Supt. Engineer is requested to be so good as to arrange for this screen being replaced by a slight wall, run up to the roof so as to shut off sounds from the general office.

It door should be placed where the present screen door is now fixed, and a brick fire place built in one corner of the room. The one in a direct line with the door.

2. The cost of the work will be small and can probably be met from the minor works grant at the supply Engrs disposal.

3. The work should be completed before the Government

arrives on the hills.

Dear Sir-

This year S. W.
will go to the Hills
because last year
the day was shorter than
usual & there is no doubt
that Major Boddy was
under the impression that
he was to go as in the
year & he arranged
accordingly, but I am
of opinion that S. W.
S. should have been
for a share of the privilege
hereafter & that he should
be in subsequence the
Chief C. should decide
what he is doing
