Madras
5th May 1893

The Secretary to Government,
in the Public Works Dept.
Madras

The humble petition
of C. Cunniah Qaidi -
formerly a Superintendent -
in Madras Water Works
Project Chingleput District
and now an employee
in the Madras Revenue
Department

Most respectfully sheweth.

That with all manner of
humility and reverence your petitioner
most earnestly begs to approach you
with a brief representation of his un-
happy case with sanguine hope of
redress.

2. That your petitioner having
served as a Volunteer in the D. O. Office
at St. Thomas Mount for about one year
appointed as Superintendent of the
Tank on the 15th of November 1879 and
was in charge of the said project up to
10th October 1880 (ie) 10 months and 25 days
during his stay he has been as a matter
of fact living in a village called -
Pachinallur, which situate in Centre of
the Tank project his predecessor was
also

his supposititious birth side several years
before your petri²⁹ determinations in the OPM

That the Sub Lt Officer who bore grudge
against your pet. (for reasons which your
pet. related in his appeal petition of 1883)
wrote to ~~the~~ ^{these} ~~three~~ Smeatonian Engineer alleging
that your petitioner was allowed by your
pet. superiors to live in the Building
referred to above, while your pet. was in
charge of the Project, & make the Exhgs.
& believe that your pet. behaved unpropria-
-tely in refusing to give possession of the
said building &c. and gave full vent
to his ill feelings against your pet.

That thereupon Lie Colonel Lt. Col
D. Smalley brought the circumstances to
the notice of the then D^r Magistrate of
Chingliput, who properly compelled the
actual occupants to appear before him
and investigated into the matter through
the Tahsildar & the Deputy Collector.

That some of the above mentioned
authorities thought that ^{Patri} ~~my~~ presence
was ~~unnecessary~~ as ^{Prof. C.} ~~the~~ had nothing
to do with the building and was of
opinion that the surprise of the D.P.W.
officers incorrect. The Ex. Supr. not
satisfied probably with the decision of
these authorities who refused to treat
^{Patri} ~~me~~ as one of the occupants, brought the
circumstances to the notice of the Supr.
Engineer V Circle. Lt Col Pringle
R.E., who wrote to your ^{Patri} present
Employer, the then Rev. Secy to Govt
touching

touching the subject, thereupon a state-
ment was called for from your pet.
and the same was forwarded to the Sup^y
Engineer with J. C. No 2991 his. of 11th
June 1885 distinctly stating therein
under the circumstances that steps
must be taken only against the actual
occupants and that your pet. disclaims
all right or title to the property. The
Sup^y Engineer accordingly brought
all these correspondences to the notice
of J^{ts} in the P. W. D soliciting some-
thing for the purpose of the then present
occupants being legally ejected and
the sanction was accorded in J. C.
1778 of 30-7-85 P. W. D.

That by your pet's surprise, neither
the Executive Engineer nor the Sub D^y
Officer, to whom the order was sent
and who were entrusted with the
trust of conducting the suit
considered the inspec^y noted
by J^{ts} in the Rev: & Public Works
Dept. that your pet. was ^{not} intended
to be sued against as one of the Defendants.
That however your pet. was served with
summons to appear before the D^y
Munsiff at Ponnammallee & gave a
similar deposition disclaiming all
right or title to the property and ^{that} neither
your pet. has been allowed to live in
it nor did he of his own accord ever
live

2991/3

in it, and represented to the Court in the
manner your petition now do.

That your petition begs to submit
that a certain clerk by the name of
Srinivasa Chariar of the Chingleput D^y
office having been deputed to ascertain
about your pet's whereabouts (for the
purpose of again taking some other
action relative to the same subject
and in which your pet. solemnly
affirms, has got very little or no
concern) found out your pet. in dead of
night just like wolf pursuing the
lamb, uttering various falsehoods, and
fearful threatenings rendering your pet.
extremely painful. That your pet. -
in spite of these asked the said Clerk
to go with your pet. to the J^{ts} office to
satisfy himself of your pet's employ-
ment in the J^{ts} office which the
Clerk accordingly did today and
that your pet. himself wrote and
gave a note giving his full address
to facilitate the purpose to which it
is intended.

That under these circumstances
your pet. most earnestly begs to request
that your honor will be kind enough
to direct the Executive Engineer to take
no more action against your petition
who

fairly disclaim all rights or title to
the building in question, & who was
simply included in the suit at the
instance of the late Sub St. Officer
who bent upon bringing your petitioner
to some sort of trouble, because your
petitioner in his appeal to govt in the
R. M. Dept. exhibited all the facts
under which there happened to exist
ill feeling against your petitioner.

For what act of kindness your
petitioner shall as in duty bound
ever pray.

No. 1956
P.W.D. Chingleput Division Office
15th September 1893

From

The Executive Engineer Chingleput Division
To
The Suptg. Engineer & Circle,

Sir

With reference to your No. 195 C.N. of 20th May 1893
I have the honor to inform you that the petitioner
was made 1st defendant in a suit instituted under
Government sanction vide G.O. No. 1778 of 30th July 1885
bearing S.E. No. 1908 of 5th August 1885 for the recovery
of possession of a Government building at Attantungal
formerly occupied by petitioner while Superintendent
of the Red Hills Tank and since occupied by his
relations - also for recovery of rent at 8 annas a
month and costs -

I have the honor to forward herewith the
copy of judgment pronounced by the District Munsif
Poonamallee in May 1887 from which it will
be seen that careful enquiry was made and a
decree in favour of the plaintiff (the Executive Engineer)

Given

given. The decree has not yet been executed and the building appears still to be occupied by the relations of the 1st defendant.

I inspected the building this morning. It is situated in the village of Attantungal on the banks of the channel from Cholavaram to the Red Hills Tanks. It is a brick in mud nature house with a tiled roof and measures 35' x 21'.

It is not required by the department and I doubt whether it is worth all the time that has been spent by different officers for its reacquisition. As however the decree has been obtained, I see no reason why it should not be executed. Execution has been hitherto delayed apparently, for want of certain legal formalities, owing to the correct address of 1st defendant not being known and as the 2^d defendant had died, to want of information as to the heir of the 2^d defendant. These particulars have now been obtained and I propose to ask the Government pleader to prepare application for execution of the decree.

I have &c.
