GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Proceedings of the Government of India, Finance and Commerce Department (Leave and Leave Allowances), dated Simla, the 2nd September 1893, No. 3777-P.

Read—the following despatch from the Right Honorable Lord KIMBERLEY, Her Majesty's Secretary of State for India, to the Government of India, dated 3rd August 1893, No. 150 (Financial):—

I have considered in Council your letter, dated the 20th of June, No. 188, relative to the absentee allowance of an officer who has been granted furlough for two years under Article 371 of the Civil Service Regulations on the ground of ill-health.

2. Such an officer is entitled to half average pay during the whole period of his furlough under Article 373 (b) of the Civil Service Regulations; and the concession to him of 200% a year, or three-fourths of last salary as a minimum rate of allowance, applies to the whole period of his furlough, and not to the first fifteen months only, as in the case of an officer on leave on medical certificate under Article 369.

Ordered that copy, with copy of the despatch to which the above is a reply, be forwarded to the several departments of the Government of India, to all Local Governments and Administrations, to the Comptroller and Auditor General, and to all Accountants-General and Comptrollers for information.

ENCLOSURE.

Despatch from the Government of India, to the Secretary of State for India, dated 20th June 1893, No. 188.

A question has been raised whether an officer who takes furlough out of India for two years under Article 371, Civil Service Regulations, on account of the state of his health, is entitled to the minimum rates of absentee allowance sanctioned in paragraph 3 of your Lordship's despatch, No. 231 (Financial), dated 17th November 1892, for the full period of the leave or for the first fifteen months only, as in the case of leave granted under Article 369. It will be seen from the copy of the correspondence enclosed that two of our Account officers are of opinion that the intention is that in the case mentioned the minimum rates of absentee allowance should be granted for the first fifteen months only. We are doubtful whether this view is correct, and we therefore refer the question for your Lordship's orders.

ORDER—dated 16th September 1893, No. 914, Financial.

Communicated to the Departments of the Secretariat and to all Heads of Departments, in continuation of G.O., dated 11th September 1893, No. 885.
