Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 6th September 1893, Mis. No. 5152 :—

Read—the following letter from the Acting Collector of North Arcot, dated 31st August 1893, No. 1092-Magl. Genl. :—

In forwarding the estimate, duly countersigned, for the construction of an office and sub-jail for the Ambur * Stationary Sub-Magistrate, I have the honour to urge very strongly the great necessity that exists for the work being commenced at once. At present the Sub-Magistrate holds his court in a small, ill-ventilated private building which causes considerable inconvenience both to himself and the public. There is no sub-jail and the police lock-up which is used as such is most unsuited for the purpose. There were six prisoners in it when I inspected it last month, and the atmosphere was anything but healthy. I trust, therefore, that funds will be allotted at once and that the Engineer may be directed to proceed with the work as rapidly as possible.

Resolution—

The site plan and estimate for Rs. 16,550 for constructing an office with out-houses for the Stationary Sub-Magistrate at Ambur are submitted for the early sanction of Government with reference to G.O., dated 30th January 1893, No. 373, Revenue.

2. The Board considers that the front of the building should face the north to save the court, the clerks' room and the verandahs from exposure to the sun from midday to sunset.

3. The Collector requests, for the reasons stated in his letter, that funds may be allotted and arrangements made for the execution of the work as early as possible.

Order—dated 28th September 1893, Mis. No. 3583, Revenue.

The site plan and estimate are approved and will be transferred to the Public Works Department, in which the Board's suggestion in paragraph 2 of its Proceedings read above will be considered.

ORDER—dated 13th October 1893, No. 2606 W., Public Works.

The estimate, amounting to Rs. 16,550, for constructing a Deputy Tahsildar's office with out-houses at Ambur in the North Arcot district, is sanctioned.

2. The building will be erected so as to face the north as suggested by the Board of Revenue.

3. The Superintending Engineer, IV Circle, will report what sum can be spent on the work before the close of the current official year.

4. The sanction accorded in paragraph 1 has been registered as Provincial No. 97 W of 1893-94 and classified as Civil Buildings, Original Works.

Read—the following letter from the Collector of North Arcot, dated 15th December
1892, Ref. on Magl. No. 2434 :—

I have the honour to report that, on the introduction of the Stationary Sub-Magistrates' scheme, the Stationary Sub-Magistrate intended for Vellore taluk has been stationed at Ambur for reasons of which the Board and Government are aware. A Deputy Tahsildar's cutcherry with a sub-jail has to be built there, and I request that the Board will be pleased to obtain the sanction of Government for the construction of a Deputy Tahsildar's office and a sub-jail of the standard type at Ambur.

2. The office is now held in a rented building as already reported in my Ref. on Gl. Eng. No. 6557, dated 12th ultimo. It is a shop in the bazaar street and unfit for a Magistrate's office. As for prisoners there is no place in which to put them, except the lock-up attached to the police station, so the building of a jail is an urgent necessity.

Resolution—dated 24th December 1892, Mis. No. 8499.

Submitted to Government with the request that a plan and estimate may be called for in the Public Works Department.

Remarks.

This estimate has been framed with
reference to G.O. No. 2684 dated 4-5-93
1893 & provides for constructing a
Deputy Tahsildar's office with out-
house at Ambur in the North Arcot
District.

The estimate for the main building
has been based on the type design
circulated with G.O. No. 3122 dated
25-1-1891 for tiled roofing & the
out-house as per design approved
in G.O. No. 1409 dated 28-1-1889.
Provision has been made for 11 teak
wood screw racks each 23" x 60" x 9 1/2"
& a movable wooden ladder as per
design circulated with G.O. No. 502
dated 19-1-1891.

The site selected is private land
& for which compensation to the extent
of Rs 1000 has been provided. This
land is proposed to be fenced in
with 6 lines of Sharns improved
patent wire fence 4 feet high with
the necessary straining posts angle
iron standards &c. The top line of
the fence is to be of barbed wire.

Provision has also been made
for sinking a masonry wall 6 ft
in dia. at a cost of Rs 210.

The Board of Revenue in sub-
mitting the estimate requests
that early sanction & provision
of funds may be accorded for
the execution of the work & suggest
that the building be made to
face the north in lieu of west
as shown on the site plan.
