With reference to Rule 3 of the rules regarding exchange compensation allowance, published with the Resolution of the Government of India in this department, No. 3624-A., of 18th ultimo, I am directed to request that, in deciding whether any European or Eurasian officer is, or is not, domiciled in India for the purposes of these rules, the provisions of Part II of Act X of 1865 (the Indian Succession Act) may be taken as a guide.

2. As it is important to secure uniformity of treatment in all provinces and departments in this respect, I am also to request that, during the remainder of the current financial year, any case in which the local Government entertains doubts regarding the manner of applying the principles contained in Part II of Act X of 1865 may be referred to this department for the consideration of the Government of India. By the 31st March 1894 it is expected that a sufficient number of cases will have been decided to render further references unnecessary unless under very special circumstances.
