GO NO 2623 IN

H 13.10.1893

From A.V. Russell Esqr. Executive Engineer, Buckingham Canal Division, to the Supdg Engineer, 2nd Circle, dated 19th September 1893, No. 1674.

262/1

In Continuation of my letter No. 1268 dated 1st August 1893, I have the honor to report that, with the Consent of Abdul Kharim Saheb, arrangements were made to sell his shed, which stands on Government land, and for which land the man had not paid rent for months past, and that the sum of Rs 134.4.6, as per particulars in the margin, due by him to Government was realized and credited in my accounts for the Current months. The Case is thus finally closed, and after prolonged delays and a vast amount of trouble, Government has recouped itself both for the land rent due, and all legal expenses Connected with the suit. The trouble involved by these Civil suits is very Considerable, and such suits in my opinion ought

really

really to be taken up to the Court,
and disposed of entirely by lawyers
instead of by this Department.

2. Pending the realization of the
amount decreed, the land was
Continued to be shown in this office
returns as entered by Abdul ~
Kharim Saheb, and rent of Rs 9
was accordingly Charged for Mayps.
This Claim of Rs 9 Can now be waived,
as the court merely gave a decree
for rent due up to the end of the
preceding month, and, pending the
necessary delay Caused by making
arrangements for selling Abdul
Kharim Saheb's house standing on
Government land, it does not
appear that he is liable for rent
for that month, and it is certainly
not worthwhile, on account of such
a trifling sum, to again move
the Court on an issue, which it is

doubtful

doubtful would be decided in
favor of Government. The Examiner
P.W. Accounts has been informed
accordingly, and the necessary
corrections have been made
in the Accounts.

Submitted to the Chief

Sanction of Government being

of Rs 9 referred to in para 2 of
the foregoing letter.
