GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From H. A. STUART, Esq., Acting Collector of North Arcot, to the Secretary to Government, Public Works Department, dated Palmanér, 30th August 1893, Ref. on Genl. Eng. No. 5260.

I have the honour to forward herewith a draft declaration regarding the acquisition of the lands in the village noted in the margin, and to request that you will be good enough to cause the same to be published in the *Fort St. George Gazette*. The Public Works Department has already taken up the land after paying the value thereof to the owners under private negotiation. As the negotiation has taken place subsequent to the G.O., No. 408 R., dated 6th May 1891, which requires that all lands required for public purposes should invariably be acquired under the Act, formal acquisition is necessary. The action of the officers of the Public Works Department in taking possession of the land was irregular and this was pointed out to the Executive Engineer, North Arcot division.

Taluk—Wandiwash.
Village—Vaccadai.

No. 3029 C.

Referred to the Superintending Engineer, IV Circle, for explanation as to the purpose for which the bungalow in question is required and as to why the land was taken up by the Public Works Department by private negotiation in contravention of G.O., No. 1536 W., dated 5th June 1891.

(Signed) J. HANNAN,
7th September 1893. Ag. Joint Secy. to Govt., P.W.D.

From H. E. CLERK, Esq., Executive Engineer, North Arcot division, to the Superintending Engineer, IV Circle, dated 29th September 1893, No. 390 S.E.

In returning the papers received with your No. 491 N.A. of 14th September 1893, I have the honour to inform you that the bungalow at Vaccadai is required for inspection purposes. An estimate of Rs. 990 was sanctioned under Provincial Irrigation in Circle Register No. 182 of 1891–92. The land was purchased by the Sub-Division officer by mistake, that is to say, he misinterpreted the orders sent to him on the subject from this office; he has been directed to be more careful in the future.

No. 385 E.W.

Copy forwarded to the Chief Engineer, Public Works Department, with reference to his endorsement, No. 3029 C., dated 7th September 1893, herewith returned.

(Signed) A. W. SMART, Lt.-Col., R.E.,
2nd October 1893. Superintending Engineer, IV Circle.

Order—dated 14th October 1893, No. 2630 W., Public Works.

The notification will be returned to the Collector unpublished. The land in question has already been acquired by private negotiation, and an *ex post facto* application of the Act is useless. It is moreover incorrect to represent Vedachela Iyer as the owner of the land as appears from the draft notification. The owner is now the Secretary of State.
