Despatch from the Government of India, Finance and Commerce Department, to Her

1893).

WITH reference to paragraph 12 of your Lordship's Military Despatch No. 154, dated
the 1st December 1892, we have the honor to state that we have no objection to the prin-
ciple enunciated in our Proceedings in the Military Department for July 1882, No. 1770,
being made applicable to the case of Sub-Conductor T. Golding, Military Works Depart-
ment, who was superannuated before completing the necessary departmental service for the
pension of his rank. We accordingly recommend that an invalid pension of £58 a year
may be specially granted to him under Article 1481, Army Regulations, India, Volume 1,
Part I, in lieu of the retiring pension of £54 a year, which he now receives under Article
1480 of the same Regulations.

Extract, paragraph 3, of a Military letter from the Right Hon'ble the Secretary of State
for India, —(No. 65, dated the 8th June 1893).

PARA. 3. I sanction the general application to Hon. ary Commissioned and Warrant
Officers of the principle that compulsory retirement on su erannuation shall confer a title to
the pension that would be admissible on invaliding. Sub conductor T. Golding will, under
this general decision, and not as a special case, be entit to the invalid pension of £58 a
year, and I have given instructions for the adjustment c s pension at this rate from 26th
April 1892.
