READ—the following paper:—

Office-note from the Examiner, Public Works Accounts, dated Madras, 4th October 1893, No. 1236 A.

With reference to G.O., No. 2479 W., dated the 27th September 1893, I beg to state, for the information of the Government of India, that the lascars hitherto have been permanent and pensionable, and as there has been no saving in consequence of the transfer of these men from the regular to the works establishment, they are ineligible to any compensation retiring allowance unless the rule in Civil Service Regulations, article 471, requiring that there should be a saving which should always exceed the cost of pension is relaxed in this particular case by the Government of India.

ORDER—dated 16th October 1893, No. 2642 W., Public Works.

Ordered that the report be forwarded to the Government of India.
