No 396/A

North Arcot Division office,
30th September 1893.

From,

H.E. Clark, Esq.,
Executive Engineer,
North Arcot Division,

To,

The Superintending Engineer,
Fourth Circle.

Sir,

With reference to G.O. No 1673 W, dated
26th June 1893, ordering the assessment of
rent for quarters occupied by the Storekeeper
of this Division in the Vellore Fort, I have the
honor to state that the outhouses to Court
martial Committee room and compound wall
were originally valued Rs 500. Of this, the compound
wall was dismantled. The remaining building
was converted into quarters for the Storekeeper.
It is valued as follows:

Old tiled shed $33\frac{1}{2} \times 11\frac{1}{2}$ ft at Rs 1 per
sq. feet - Rs 385-0-0

Charges incurred in converting into
quarters for storekeeper - Rs 469-0-0

Establishment & Tools & Plant not charged
as the building was in existence prior
to 1888 } -0-0-0

Cost of site $\frac{1}{10}$ acre of land at Rs 100 per acre - Rs 10-0-0

Total Capital cost Rs 864-0-0

4 per cent on Capital cost - Rs 34-8-0

Cost of repairs at 3 per cent - Rs 26-0-0

Estab^t & Tools & Plant - Rs 2-8-0

Rs 63-8-0

Normal

Normal rate of rent for a month Rs 5-4-"

But the pay of the storekeeper being only Rs 20, I consider that his case should be considered under Section III (C) (1) of the rules on the subject (Chapter XI, Vol. I, para 28 of the Government of India Code) and I would respectfully suggest that as he is made to live near his work, the rent may be entirely remitted. If this cannot be done I think he should be made to pay 8 annas per mensem which I believe is the rent collected from Head Constables of Police, drawing less than Rs 30 per mensem.

I have &c

Copy forwarded to the Chief Engineer, P.W. Department, for orders. I consider that this is a case in which no rent should be charged as the storekeeper is made to live in the building; otherwise he could easily in the town get a fair house for 8 annas a month.
