CHIEF ENGINEER'S OFFICE,

Madras COMMAND, MILITARY WORKS.

FROM

THE CHIEF ENGINEER,

Madras COMMAND, MILITARY WORKS.

TO

The Chief Engineer
Madras, Public Works Dept.
Ootacamund
Ootacamund 10 October 1893.

Public Works Department,
Military Works.

Sir

+ P.W. Prov^d

Under for

43-94

With reference to P. G. No. 1013
dated 12th April 1893, placing at my
disposal Rs. 900/- for Provincial Civil
Minor Works, and Rs. 3380/- for
Repairs. Civil. During 1893-94, I have
the honor to request that you will
be good enough to place a further
sum, of Rs. 100/- for Minor Works,

Repairing and Testing
Lightning Conductors
St. Andrew's Church
at Bangalore - Rs. 350/-
Down the pipes to do. 100/-

and Rs. 350/- for Repairs,
at my disposal
in order to enable me
to sanction the urgent
works marginally
noted in the Banga-

- love Division, Military Works,
as I have already appropriated
to other works the sums placed at
my disposal, and it has just been

been discovered that the terminals
of the lightning conductors of the
building were made of iron instead
of copper, and are not connected
with the copper conductors, a con-
dition of things which should be
corrected at once.

2. I shall be obliged by a very
early reply as to whether funds are
available, as the work can be done
more cheaply now where a scaff-
olding has been erected, than it
could be hereafter.

I have the honor to be,

Sir

Your most obedient servant,

W. G. Bennett

St Col. R. R.

Chief Engr. Madras Comd.
